Thanks so much for inviting us to serve you for senior pictures!

Feel free to arrive up to 15 minutes early to get settled in.
The entire session will take 1 1/2 to 2 hours...

Regarding clothes, here are some general guidelines:
Most folks have 3 to 5 clothing changes
(any more than that and we're spending more time changing clothes than shooting pictures!)
Medium to dark colors work well. Pure white tends to wash pictures out.

Bring anything that you'd like to include with your session. Props are a welcomed addition.
If you think you're bringing too much stuff, then you're probably bringing the right amount.

We'll be starting indoors with the traditional yearbook poses,
so you'll want a dressy outfit for that.

Afterward, we can play it by ear.
Options are possible sports, passions or hobbies, or we can concentrate on your casual outfits.
We have loads of opportunities for outdoor settings, particularly in the time frame you're scheduled.

If you have any other questions, feel free to call.
Thanks again! We look forward to serving you.
